- a. Cheque to Ardlar Anniversary Committee for their Christmas tree and cost of lighting. It was agreed at the last meeting (14/12/09) to give £50 to this cause, however following the meeting it came to light that the committee had raised over £400 towards the Christmas tree and lighting. With this information the Community Council felt that as there were sufficient funds in the Anniversary Committee account they could not sanction the cheque for £50 and the cheque was withdrawn.
