

Coupar Angus, Ardler & Bendochy Community Council

Minutes of meeting held on Mon.14th Feb. 2011

Present:- Ann Campbell, David Carson, John Middleton, Jo Kettles & Bob Curran

Apologies:- Michael Gallagher & Dennis Malloy

In Attendance:- Robin Barron EoSF, Jill Davies CART

Chair invited Robin to speak about the EoSF plans for the future. They would like to purchase extra land so they could extend their storage of grain area and re-vamp the whole site if possible. They have sent in the report to Perth and Kinross Council.

Adoption of minutes of previous meeting.

Two corrections. 1) Date should read 10.01 2011.

2) Letter CC sending to P & K about snow clearing. Thereafter deemed to be correct. Proposed by Bob Curran, seconded by David Carson.

Matters Arising:- Sewage Smell. It would appear this problem is being disowned by various authorities and thus being passed from one to another. For the sake of the town it must be resolved as soon as possible.

At this point PC Willie Johnstone arrived as did Hilary Brooks, Balhousie Care Home Manager.

PC Johnstone then gave his report. He informed table of Nominated Neighbour Scheme, New policing plan, and graffiti removable kits, he then answered questions from around the table.

Hilary Brooks then spoke about the new care home which she hoped would be open around the beginning of March. She hopes that the community will get involved and that there could be a Friends of Balhousie Group.

As we were running out of time it was decided to carry on the meeting the following Mon. afternoon.
