Community Matter: Cllr Dennis Malloy will deal.

Police Report: PC Sandra Burgess Bicycle Thefts, 2 assaults, 2 thefts of Cash, Shed Break in Precinct Street, 2 Negative Drug Searches, and theft of a Lawnmower Middlehills. PC Burgess asked us to make people aware that shed thefts are simple for opportunists, and to ensure your shed is securely locked with a good quality padlock. Top Tip: Take photographs of your Bicycle and any other quality goods in your shed

Matters Arising: Kate Noble's idea, regarding improved bus service, the later bus suggestion will be put forward for Spring Bus Service Timetables.

Currently the last bus leaves Blair at 9.25pm. Perth and Kinross Council has suggested that the last bus from Dundee, which arrives in Blairgowrie at 11.20pm, could (barring budgetary constraints) go back to Coupar Angus. This suggestion was unanimously approved. Ideally, though, a later service from Blair would also be provided for other towns in the Blairgowrie High School catchment area.

Discussion focussing on the CC Elections 3<sup>rd</sup> November 2011.

Agreement to constitution accepted and signed.

Treasurers Report, Things have been sorted out and the Accounts are now updated and will be correctly Audited.

New Signage has been agreed, though P.O.P and C.A.R.T will be consulted
