

3. Checking feasibility of 3-way signalised junction, as an alternative to Puffin Crossing. Would require bus stop to be moved

7. Checking feasibility of relocating 20mph speed limit

4. Proposed new location of Bus Stops

1. Potential new Puffin Crossing (would require bus stop to be moved)

2. Proposed path to park from Puffin Crossing (or 3-way signalised junction). With self closing gate at end of path

6. Street lighting column replacement from Common to Blairgowrie Road. Planned for next financial year

8. Proposed path linking possible 4-way signalised junction and proposed new bus stop location

5. checking feasibility of 4-way signalised junction to replace Puffin Crossing, including footway widening.
